PUBLISHED BY SENIOR CLASS
OF LOWER CAMDEN COUNTY
REGIONAL HIGH SCHOOL
LINDENWOLD, NEW JERSEY

EDITOR'S FOREWORD

Has it really been four years? It has, and although it may have seemed like more to some or fewer to others we're seniors and about to face life in the world today. Have you ever stopped to consider what sort of world it is?

We graduates have to face the job of making a living and a career for ourselves in a difficult and sometimes perplexing world.

For many of us, the immediate future is complicated by a situation, not of our making. The prospect of having to postpone several years plans for the future because of the draft faces most of our young men. Think what a wonderful place in which to live this old world would be without strife between nations and with equality of opportunity for all.

We need only look at the crowded conditions in our schools today—including the existence of split sessions at Regional—to realize that equality of opportunity does not fully exist. We are fortunate that, despite these split sessions, we are graduating with a sound and practical educational background.

As today's young citizens and tomorrow's leaders, we look forward to creating a better world—one of peace and harmony among nations and wider horizons for us and our children.

Ann Fowler

Dedication

We, the class of '56, dedicate our yearbook to you, Reggie, our school mascot. You were always there to boost our morale whenever we needed it most. You have stood for respect, honor, and sportsmanship which makes Regional the fine school it is. Thank you for your support in all our activities of the past four years. Your name shall be placed in our hearts, never to be forgotten.

The Class of 1956

You have dedicated your book to "The Spirit of Regional." That is a fine decision—as you, during your four years in Regional have done much to build that spirit.

Regional has become a better school, because of you and other classes of like calibre. May it continue to grow and may the spirit of Regional always be alive and vital. As you enter the ranks of Regional's graduates, continue to do all that you can so that the Spirit of Regional—the desire to be the best, may never die.

Our best wishes go with you in the future.

SUPERINTENDENT

Members of the Class of 1956

Today you stand upon the threshold of a new life filled with inestimable challenges and responsibilities. Your minds and your hearts must surely be saturated with curiosity, eagerness and determination. In the past years you have been indoctrinated to judge right from wrong, good from bad, and ambition from indolence. Your approach to the future will to a large degree be dependent upon the influence others have made upon you. The thoroughness of the broad educational apprenticeship to which you have been subjected will become apparent with the realization that these words are true—"the only difference between the difficult and the impossible is that the latter takes a little more time."

CLASS PROPHECY

June 18, 1966

Dear "Reggie,"

Remember Charlene LeMon—she graduated in '56? Well, she's Editor of the Saturday Evening Post now, and she decided to do a story titled "What Becomes of the Average High School Class?" Charlene really had to travel to get all the facts on the class she chose—Regional's Class of '56. For instance, she had to go to Europe to catch up with Jim Daley and Rudy Boksleitner, who are co-owners of the Boksleitner Bros., Darnum and Daley Circus. In the show, itself, were Jack Jacovelli and Milton Johnson, who have a lion-taming act. Diane Yost is their famous woman ring master. Others "Char" saw in Europe were Sarah Jackson and her personal psychologist, Nannette Transue, who are taking a tour with their millionaire friends, Larry Ficera, Al Cole, Fred Fothergill, and John Quinn. In Africa Charlene interviewed Janet Dawson, head of the missionary services there, then left for China to see Bob Wyce and Charley Walker, the famous tea importers.

Quite a few of that gang are in show business. Charlene received an invitation to the Academy Awards and saw Mike DiMeglio, Helen Pedersen, Joe Gargano, and Mary Grebowich walk off with the top honors. Mary Anne Bruno is busy filming her show out in Hollywood. Louis Bramante co-stars in the show called *I Love Mary*.

They have a whole slew of Reggie girls in the new Rockettes' line at Radio City Music Hall—there's Marie McCullen, Ruth Adams, Dotty Beach, Rose Bill, Ann Catrambone, Rita DiGerolamo, Ronnie Glass, Pat Regan, Barb Reed, and Chickie Mears.

On Broadway, Gilda Abruzzo and Dick Console are starring in Rosalie Madonia's hit play, *The Moon is Orange and Blue*. Another big hit is Glen Osborne and George Nichols' song, "Let Me Go Blubber!" It was written by Trudy Thomas and Marion Caccia.

The local clubs have really been taken over—George Hendrickson is the new owner of Chubby's. He just hired Bob Adams as head waiter and Leona Heary as a cigarette girl. The new manager at the Latin Casino is Howard Anderson. By the way, the comic team of Smith and Smith—Maretta and Joan—is at the Casino this week end, along with pops singer, Sonya Keel, and her agent, Bill Redheffer.

Bob Wilson and Vince Pierce, owners of the White Buck Shoe Factory, are contemplating a merger with The Bermuda Shorts Factory, owned by Mary Ann Seppy and Angie Siderio. Their financial advisors, Gene Angelino and Joe Hayden, strongly recommend the move.

Charlene was glad to report that Gene Gatti, Manager of the Eagles, who was ill, is progressing rapidly under the care of Nurses Hazel Batchelor, Bert Eden, Joni Fritz, Ruthie McMullen, Betty Peden, Lou Pedrick, Diana Wyce, and Jonnie Mae Williams. Helpful in his recovery were "Tummy-Wummies," manufactured by Bev Burpee and Jim Belcher.

Working as Secretary to New Jersey's governor, John Salvato, is Sandy Bright. Running for Governor this fall, on the P.A. ticket, will be Bill Walker. His campaign managers, Joe Iuliucci and Roy Pratt, assured Charlene of an easy victory.

Quite a few of the gang married and settled down. Joan Robbins is famous, though, for her octuplets. (Aggie Preiffer runs a special laundry for them, and Els MacBride and Lee Cowan are their private teachers.)

Others among the happily married are Peggy Aspell, Marion Caccia, Kathy Holton, Ruthy

Haines, Rita Fekete, Marie Gargano, Mary Elberson, Carolyn Upton, Shirley Smith, Diane Jones, Edith Mull, Alberta Procida, and Connie Sateriale.

Back at the school, Ann Fowler has taken over the Art Department, Jack Jennings, the Science Department, and Jim Corcoran is the new Principal. Bev Hof resigned from the position last year to move to Bermuda, in a mansion inherited from her uncle.

Ronnie Harding is President of Harding Game Corporation, and Dottie Hansen and Carol Cline, two of his hard-working employees, just invented a new game called "Scrubble."

Speaking of inventing things, Pete Truscello, the inventor, asked his secretary, Madelene Braddock, to get the famous artist, Ralph Smith, to paint his portrait for his mother's birthday.

Vince Tamburrino's Combo, featuring Emil Del Conte and Rich Hartley, is planning a tour of The Continent after they finish their engagement at the Palladium. Doing the vocal work with the band is Seni Santiago.

Numerous and various titles are held by those Regionalites. Ruth Fuller is "Mother of the Year." Kathy Ettore is "World's Champ Typist," doing about 355 words a minute. Competing for the title of Mr. America are John Carney, Joe Tedesco, and Ed Cahill. Good luck boys!

In the sports world, Al Meadowcraft and Carmen Maccarella will start for the opposing leagues in the All-Star Baseball Game.

Playing on the Eagles football team are Andy Harrison, Jimmy Dugan, Fred Setzler, Gene Piscitelli, and "Stretch" Cornew.

There are rumors that before she leaves the White House, Hazel Lewellen will have Sammy Crozier re-landscape the grounds.

At Veda Mathis' exclusive fashion party, Charlene interviewed socialites Gail Reilly, Marian Richard, Ed Schaefer, Tom Gregory, Joyce Blakeley, Bob Madden, Bud Wizst, and Joyce Clevenger. The wardrobe shown was part of Barbara Pirolli and Darlene Schuckle's summer collection of fashions. The party was held in Bermuda, and while she was there, Charlene had a chance to talk to Louise Maurone, Joyce Clevenger, Erv Eschert, and Joe Miller, who are permanent residents.

Carol LaPollo and her vice-president, Annette Gochinski, are piling up money manufacturing brains for R.H.S. students. Charley Chiumento and Tony Moffa are making soft seats for the classroom.

Edie Talbot, Jean Mick, and Betty Miller are chasing Louis Flake, Harry Goldberg, and Charley Jackson all over the Continent for their alimony.

Flo Chinchillo, Jean Walker, and Betty Stanisce are working as secretaries to tycoons—Jack Mayer, Ron Durkin, and Joe Feeney.

Lee Herzer finally beat Herman Franke in their Noise Marathon. It was officiated by Bill Chavanne and Junius White.

Last, but not least, Jeanette Wandel, Bert Christian, Ev Killian, Dora Vollmer, Ellen Nicholas, Ruth Reagle, Ruth Latva, and Dolores Miller are knee-deep in plans for the class reunion being held on July 30th.

Now you know all the dirt.

A MESSAGE FROM OUR STUDENT COUNCIL PRESIDENT

Since this is a report on Student Council a word must be devoted to that factor which did so much to mold the year and influence Student Council—the split-schedule. There are many things that can be said about the split-session, few of them good. In past years Regional has had an intramural program of which we could be proud, an extensive club program which brought into its numbers almost everyone in the school, discussions with the accent on guidance were often held, as were weekly assemblies with many students taking part in the programs. Sadly, all these programs this year were conspicuous only in their absence. Not only were these gone but also a certain amount of prestige not present when two schools are operated in one building. There are many comments which may be made of the people subjected to this system, all of them good. Certainly much must be said for the administration, teachers and students who labored to make this year the success that I sincerely believe it was. In conclusion, and passing a judgment I probably shouldn't, the split-schedule left much to be desired.

In the way of epitomizing Student Council's workings in the 1955-56 school year, "Let's look at the record." Officially these are some of the things which we have done on Council this year (or at least the half that has passed when this was written) . . . the Magazine Drive went well over the specified goal and broke all preceding records . . . S.A.T. ticket sales reached an unprecedented high . . . A freshman affair was given for the first time in 5 years which met with a fairly good degree of success (owing to a fine Freshman class) . . . This year a ram came to our football games (and with him a lot of troubles) . . . We had the South Jersey Student Council Convention here, which incidently was quite a success. The success of this affair did an inestimable amount of good in building Regional's reputation and gaining it the respect it deserves in the South Jersey area. This year Student Council accomplished many material objectives, but sadly fell short in attaining such intangible aims as school spirit and co-operation.

We hope you approve of our efforts—we've certainly worked hard to produce a book worthy of Regional, and of the faculty and student body of this high school of ours.—Editors.

The homemaker is the most popular person on earth. Preparing to be a good homemaker is the purpose of the F.H.A. The club, under the sponsorship of Mrs. Eleanor Pfeiffer, has served at the various school teas as well as the Student Council Convention. They also are responsible for the snacks for the basketball players. The main purpose of the club, however, is to better family and community life through understanding and skills.

The F.T.A., organized to prepare and acquaint the high school student with the necessary qualifications for a successful teaching career, has been chartered and recognized by the county. Under the sponsorship of Miss Frances Collins and Mrs. Pauline Kitchen, the F.T.A. Club has achieved much this year. Some of the activities were: attending county F.T.A. meetings, visiting colleges, observing of good teaching methods and some benefit work. All members are proud and honored to wear the club colors and pin.

Oh, those Saturday morning practices! Due to the split schedule, weekends were the only time that the whole band could get together. It surely was rough and our diligent musicians, under the baton of Mr. Murray, deserve a lot of credit for their faithful performances at nearly all school events. Judy Barton, sophomore, represented Regional in the South Jersey Band.

The Makeup Club, under direction of Mrs. Grossman, has been responsible for the appearance of all the characters that are in the plays given here at Regional. The girls in the Club receive credits toward admission into the National Thespian Society for their work and time devoted to the theatrical plays.

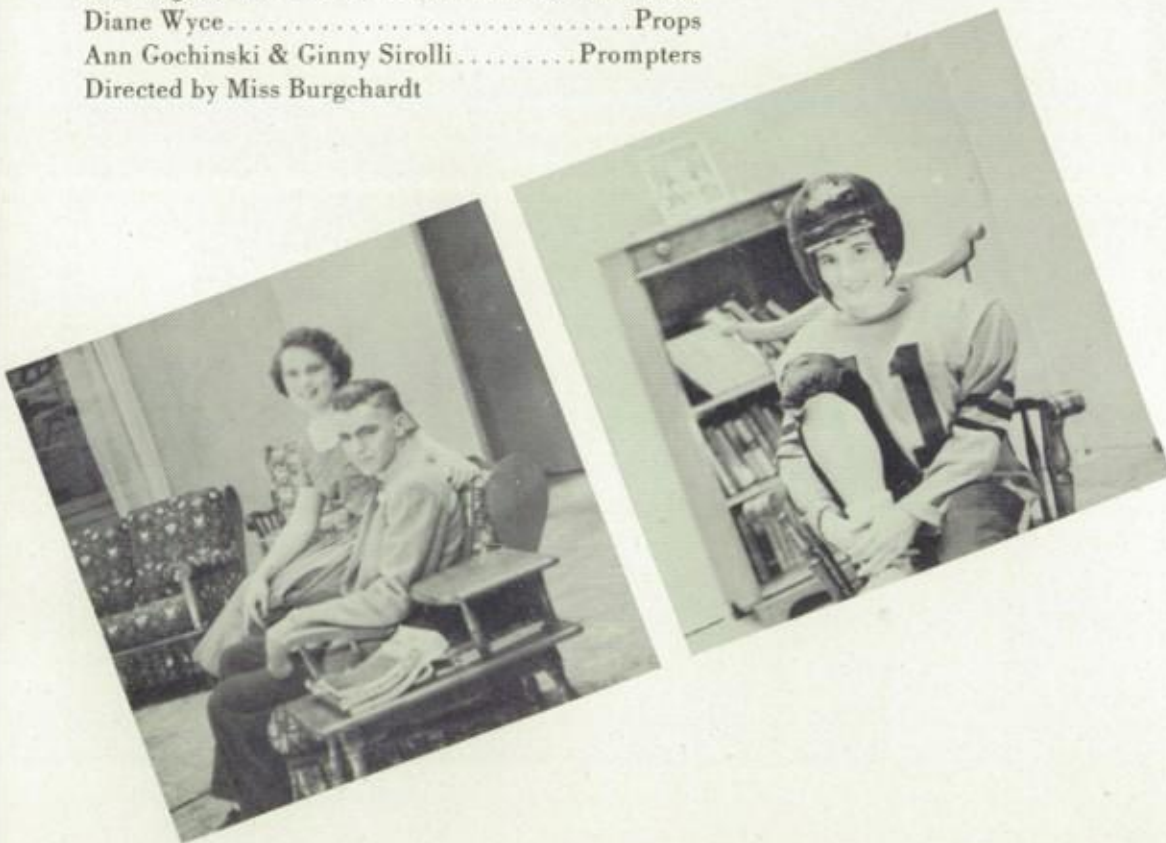

Poise, personality and smiles are the necessary qualifications for membership in the Usherette Club. These girls serve at all evening programs presented at the school and are an addition to the decor as well as the orderly seating arrangement and ticket collection.

ON STAGE

"Places everyone—curtain going up!" These words have been quoted very frequently since dramatic arts have hit the limelight here at Regional. The Junior-Senior Three Act Play produced this year has been a top hit among Thespian groups. A hilarious comedy entitled *Time Out For Ginger*, was a combination of the talent of both the junior and senior classes. The cast was as follows:

Jim Marvel.....	Tommy
Arlene Kauffman.....	Ginger
Ed Schaefer.....	Eddie
Diane Yost.....	Mrs. Carroll
Bill Redheffer.....	Mr. Carroll
Helen Pedersen.....	Joan
Maretta Smith.....	Jeannie
Earl Hettel.....	Mr. Wilson
Joe Gargano.....	Banker
Diane Wyce.....	Props
Ann Gochinski & Ginny Sirolli.....	Prompters

NATIONAL HONOR SOCIETY

Recognizing the highest in scholarship among the high schools of the country is the National Honor Society which is under the direction of Miss Helen Megargee. Each member must fill certain qualifications—leadership, character, and service. It is considered quite an honor for a high school student to be designated as a member of this society. Membership is restricted to the top 15% of the Senior Class and top 8% of the Junior Class.

MEMBERS are: SENIORS—R. Boksleitner, M. Braddock, S. Bright, M. A. Bruno, E. Chinchillo, A. Fowler, M. Gargano, D. Hansen, R. Hartley, K. Holton, C. LeMon, E. MacBride, V. Mathis, H. Pedersen, A. Siderio, J. Smith, E. Talbot, T. Thomas, N. Transue, J. Walker, D. Yost.

NATIONAL THESPIANS SOCIETY

The National Thespians Society consists of those students who are outstanding in the field of dramatics. The student is given a certain number of credits based on skill of acting, speeches and co-operation with the directors, for each play in which he or she appears or renders assistance. Credits are awarded according to participation. One for each minor and six for each major.

MEMBERS are: SENIORS—J. Gargano, D. Jones, H. Pedersen, B. Peden, E. Talbot, H. Wizst. **JUNIORS**—E. Hettel, A. Kauffman, D. Lambiase, V. Sirolli.

Organized in 1949 by the Blackwood Kiwanis, the Key Club consists of all male members chosen by the faculty from the upper third of the Junior and Senior classes. FOOTBALL

The men pictured on these two pages sacrificed more for our high school collectively than any other group of students. From the first of September to the twenty-fifth of November they strove faithfully, in practice and on the gridiron on Saturday, to uphold the honor of our school.

Although their team record wasn't great, we can be proud of the fact that the big victory of the year came over an old Colonial Conference rival. We whipped Haddon Heights 13 to 2 on the Heights' home field.

This year's Regional team did better than previous ones, not only because we won a Conference Game, but also because we came close to winning several other games. Experts that witnessed a few of our defeats said that our men outplayed the opposition even while losing. *This shows real spirit.* It is also gratifying to point out that this year's team was the highest scoring team in the last three years at Regional. *So, hats off to the football team and thanks for a good job.*

CHEERLEADERS

Can you imagine a football game, or a basketball game without cheerleaders? If you've ever attended any of Regional's games you certainly couldn't miss them out there urging us on to victory. They boost the morale of the team when all seems agin' them, and fill the spectators with the true spirit of the competition. A position as cheerleader is a great honor, competition is keen, but it's not all just honor. Diligent practice is necessary, ask coach Miss Levy. (Regional was certainly well represented at the Parade of Champions' Jamboree held this year at Merchantville High School.) Through efforts of Miss Levy and Gail Reilly, cheermistress, as well as the rest of the team, several new cheers were originated.

HOCKEY

This year's hockey team, under the coaching of Miss Adeline Pratt, started a new tradition for Regional by attending hockey camp at Mount Pocono. Here the girls not only enjoyed themselves but also earned a good reputation for Regional by winning over half of their competitive games and by showing good sportsmanship.

Back home the girls practiced diligently and were a good challenge to the opposing teams on their schedule. The team broke its losing streak by winning its last game, the first hockey victory in several years.

The Junior Varsity hockey team showed favorable signs of a winning Varsity team next year.

The freshman hockey team learned the arts of hockey under the direction of their coach, Miss Turner. They won their first and only game.

The senior class wishes Miss Pratt and next year's hockey team lots of success at hockey camp and at school.

BOYS' BASKETBALL

Our basketball team this year met with some measure of success finishing with a *nine won and ten lost* record. This record shows more in the win column than any other Regional team since we were freshmen. Our team had no touted star but played well together with any and every man well able to do his part. Rol Cornew and Bob Smith ran an effective fast break all year, and Ron Durkin and George Hendrickson kept the backboards clear; while Fred Setzler's pivot shots kept us in many a game all season. Ron Flury was brilliant in his job as substitute and could always be counted upon.

GIRLS' BASKETBALL

Girls' basketball is, as you may or may not know, different from boys' basketball. The rules were revised in order to make the game less strenuous, and more suitable for participation by the ladies. Now don't get the wrong idea—although the roughness is somewhat curtailed, there's nothing timorous about the way our girls faced their opponents. Congratulations goes to the girls' basketball team for their splendid show of sportsmanship despite their losses. We're sure everyone concerned will tell you that the season was a success in that a wonderful time was had by all. The visits to other schools for away games were not only business trips but also were sightseeing tours—everything but the boys' locker room. Miss Pratt, the coach, regrets the loss of several Varsity players due to graduation but is looking forward to an equally enjoyable season next year.
